The Invasion of Indian Country in the Twentieth Century: American Capitalism and Tribal Natural Resources, Second Edition Donald Fixico

The Invasion of Indian Country in the Twentieth Century, Second Edition is updated through the first decade of the twenty-first century and contains a new chapter challenging Americans--Indian and non-Indian--to begin healing the earth. This analysis of the struggle to protect not only natural resources but also a way of life serves as an indispensable tool for students or anyone interested in Native American history and current government policy with regard to Indian lands or the environment.
