To the Survivors is about one man's journey as a rape crisis counselor with true stories of sexual violence shared by survivors in their own words. Gently and beautifully constructed, To the Survivors is moving, tender, sharp, and piercingly true all at once. Readers will encounter uncensored written stories, poems, and interviews from women and men who have experienced rape and sexual assault, plus the advocate-author voice that weaves their experiences together. The survivors are diverse in age, gender, and ethnicity, yet each gives a similarity raw and heartfelt account of his or her victimization and recovery. The authenticity and vulnerability with which survivors speak resonates profoundly. But this book is not just for survivors of sexual violence. Robert Uttaro believes anyone can benefit from the words in these pages, rape survivor or not.
