Wood Houses

Wood Houses

Wood is one of the oldest building materials known to man. It has valuable characteristics that make it a material of choice; it is highly ecological, and can be used for all kinds of structures. In addition, it has excellent insulation and sound-proofing qualities. Moreover, its texture imparts a warm finish to interiors of any style. And, of course, wood is highly prized in furniture design for its beauty and adaptability. Wood Houses presents a selection of dwellings that are made of wood, including particular focus on the use of wood in kitchens, bedrooms and even bathrooms. ? A focus on the uses of one of the oldest but most adaptable building materials ? Contains many original applications that are both practical and aesthetic.
