It's Halloween time and Book & Candle is busier than ever. Rory Wiltz, newbie witch, is in over her head. To make matters worse she learns from her friend Scott that there've been wild animal attacks on the edge of town. Taking a respite from her magic lessons with the always mysterious Hunter, Rory decides to check it out. When her pregnant sister comes to town to give birth, Rory is more determined than ever to find out who's really behind the attacks. But it won't be easy: the local sheriff is not a fan and tells her to stay away from his case. With the help of her best friend Scott, fellow witch Hunter, and the sexy Detective Jack Morgan, Rory is determined to stop the attacks once and for all. But at what cost?
