Dangerous Liaisons (Penguin Classics) Pierre Choderlos de Laclos
A new translation of one of the most notorious novels of all time

Published just years before the French Revolution, Laclos's great novel of moral and emotional depravity is a disturbing and ultimately damning portrayal of a decadent society. Aristocrats and ex-lovers Marquise de Merteuil and Vicomte de Valmont embark on a sophisticated game of seduction and manipulation to bring amusement to their jaded lives. While Merteuil challenges Valmont to seduce an innocent convent girl, he is also occupied with the conquest of a virtuous married woman. Eventually their human pawns respond, and the consequences prove to be more serious--and deadly--than the players could have ever predicted.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
