Health Info To Go: General Medicine: General Medicine Tyler Childs Cymet

Book Summary An organized, easy to read, discussion of problems people have. Issues including anxiety, pain, allergies, headache, glaucoma, and even general thoughts on preventing disease are covered in short paragraphs and outlined in a way that makes the information easy to read, remember and use. Health Info To Go talks about these issues in the depth that a medical student would need, but is written clearly and in every day language so that the information is easily accessible by anyone. If you have an interest in health and medicine or want a source for your information to help explain a specific problem to others: Health Info To Go can be the resource you need.
