Impeccable Research, A Concise Guide to Mastering Legal Research Skills (American Casebook Series)

Mark Osbeck

Impeccable Research, A Concise Guide to Mastering Legal Research Skills (American Casebook Series) Mark Osbeck

Unlike conventional legal research books that just teach students how to find and use the various sources of law, this book stresses a systematic, practice-oriented approach to acquiring legal-research skills. It presents a simple yet highly effective research strategy that prepares students to efficiently solve the types of complex legal-research problems they can expect to encounter in the workplace. The book includes a section of tips on how to avoid common research pitfalls, as well as a Trouble-Shooting Guide to help students overcome the occasional obstacles that may crop up in their research projects. For these reasons, the book makes an ideal stand-alone text for the first-year legal-research class, as well as an excellent supplementary text for advanced legal-research classes.
