If you have a dream?
Do it! When problems
arise, don't give up.
Work until a solution is
found. Hard work? Yes,
but exciting to see your
dream coming true.

Two rather unlikely
candidates for the business
world, at ages 42 and 47, put
together a retail and wholesale
manufacturing business.
Before the journey concluded,
they would generate millions
of dollars in sales, battle an
archaic state law and traverse
the globe.
An exciting story of two single
women who quit successful
jobs to travel into the
unknown making friends.
