In this simple story about grief, and the continuation of life, a tortoise mourns her lost friend, learns to live alone, and finds ways of being happy again. Moving, funny, and insightful, *Pockety* captures the feelings of losing someone we love - from denial and anger to eventual peace - through the world of a young tortoise. It speaks clearly to something we all experience: what we must pay for having love in our lives, and how we may grow around those losses. *Pockety* is a tale for everyone, young and old, and for anyone who has ever loved.
