Post Surgery Recovery Diary Mr. Randy T. Olson

This diary is for all out-patients who want to take charge of daily medication, activity and healing process. Each day offers a visual account of your progress from one day to the next. It also offers clear and precise charts for doctors to see how far you have come in your recovery. Take time each day to track and document your progress. You will be surprised at what transpires day by day over a one month period. Family members, who offer their assistance, will find this to be a valuable aid in your healing. Their addition to your chart is necessary when you are unable to do it for yourself. Using this Post Surgery Recovery Diary you will never have trouble medicating or guessing what has occurred during your recuperation when everything is documented. Index Forward _____ 5 Patient
