Proverbs and Ecclesiastes: A Theological Commentary on the Bible (Belief: a Theological Commentary on the Bible) Amy Plantinga-Pauw

In this new volume in the Belief series, Amy Plantinga Pauw reveals how the biblical books of Proverbs and Ecclesiastes, while often overlooked, are surprisingly relevant for Christian faith today. Both biblical books probe everyday human experiences. They speak to those who seek meaning and purpose in an uncertain world and encourage us to look for God's presence in human life, not in divine visions or messages. They show openness to wisdom insights from many sources, urging us to find the commonalities and connections of our wisdom with those of our religious neighbors. Ultimately, these books affirm that true wisdom, whatever its human source, comes from God. Pauw includes reflections for preaching and teaching throughout her study.
