Special Edition Using Oracle 11i BOSS Corporation

The first part of *Special Edition Using Oracle 11i* introduces the Oracle ERP applications and R11i concepts. The reader is then educated on proven techniques for implementing these complex and integrated systems. Configuration and usage of each of the financial, distribution, manufacturing, HRMS, and projects applications are covered, followed by a discussion of working with Oracle Support, consulting firms, and compatible software vendors. The appendixes review the employment market, consulting opportunities, and provide the reader with an implementation checklist. All of R11i's new features are covered in-depth and in practical terms. Not only will readers understand Oracle's new capabilities, they will be able to apply them right away.
