Test Yourself: Social Psychology provides essential learning and practice through assessment for your psychology students. It enables year 1 and 2 undergraduates to assess their confidence and competence and prepare for the types of questions featured in their formal university assessments.

The book includes over 200 multiple-choice and extended multiple-choice questions, carefully designed to assess depth of knowledge. At the end of each chapter sample essay questions are provided, along with further guidance, to complement the multiple-choice questions and further test understanding. In addition, information is provided to help students make sense of their results and identify strengths and weaknesses.
