The Heart of Numerology Lynn Buess

Perhaps you have read a little about numerology and wondered just how it manages to reveal so much. If you have been looking for more information to take you beyond the elementary texts and teachings of numbers, you have come to the right place.

By choosing the study of this symbolic matrix, you have chosen a path that can take you into the most sublime heights and penetrating depths of human consciousness and beyond. Do you want to know a secret? Many of them can be revealed as you weave your way through a multidimensional journey of symbolic delight that numerology presents.

Lynn Buess, MA, EdS, has served more than one half of a century studying, teaching, and counseling in the field of symbols, cycles, and numbers. Lynn is well qualified to be the one to outline this journey and help show you the way. He is the only practicing professional numerologist to have completed two accredited graduate degrees in which he specialized in the meaning of numbers and symbols and the psychological application of these symbols to life.

In his teaching, he reveals the psychology, cosmology, and spirituality of numerology. To him, numbers are not a static set of symbols; rather, they are like cosmic chords of sound and light that help make up the rhythms of the cosmic dance.

Would you like to dance?
