## Alpha Owned Milly Taiden

Ciara Ortiz wants Ryker Snow. Too bad she's known all her life he needs a shifter for a mate. She's only human. After years of staying away from the tempting shifter, she will finally see him for her brother's wedding. Can she handle it? Ryker Snow will finally have Cici in his grasp. She's done a good job of ignoring him and this is his one chance at getting the woman he wants. When a drunken night leads Cici to an amazing but strangely-realistic dream of Ryker, she wakes up a different woman. She'll either take a chance on the Alpha or walk away for a final time. Reader Note: This story contains some smokin' hot sex. If you have problems with low down dirty hanky-panky, you might want to skip this one. However, if you like a curvy woman who loves her body, a man who will do amazing things with his tongue and some cheeky humor, this is the story for you. Enjoy.
