Crossing the Threshold of Eternity: What the Dying Can Teach the Living Dr. Robert L. Wise

If we learn to listen and observe carefully, the dying can teach us important things that we need to learn in preparing for the end of our own life's journey. From standing at the bedside of the dying, Dr. Robert Wise came to realize there were important patterns and steps that the dying were trying to describe. And, yet, many miss these life lessons when they go to great lengths to avoid a conversation or encounter with the dying. Wise learned by stopping and listening to the dying that we can get beyond our morbid fears of death, to come to a place of peaceful acceptance and to be able to look ahead to a dignified celebration of death. Inspiring stories of those with one foot stepping into eternity give us assurance, hope and a fresh expectation of what lies beyond the grave. We can all face it without fear. Here are fascinating stories offering reassurance and promise.
