[Siren Classic: Erotic Cowboy Romance, HEA] Can a lonely florist meet a hot cowboy, become a stripper, get snared in an FBI investigation, and fall in love in one week? Absolutely! Meet Regan O'Connor, who plunges into a world of stripping and fabulous sex with Damon Radcliff, who fails to mention that he's the Texas senator's son. That little tidbit of information would have been helpful to know before Regan got herself involved in Damon's idiotic scheme of proving his brother's stripping fiancée is up to no good. Regan steps into the shady world of stripping to find that the fiancée-to-be is a very bad girl and more. All Regan ever wanted was to look back on her life and know that she lived for the moment and smile while reminiscing. She gets that and more. Regan also finds her inner stripper, confidence in herself, unimaginable sex, and an adventure of a lifetime. \*\* A Siren Erotic Romance
