Way back in the early days of the Internet, Nerve.com challenged the best writers and photographers of the generation to create work that was explicit in both senses of the word: honest and sexy. Now, ten years later, Nerve.com is renowned for its bold and intelligent publishing on sex. This stunning retrospective celebrates Nerve's impact on popular culture with its stimulating essays, interviews, fiction, and photography. Encased in an electric vinyl case, the book is provocative all the way throughwith seductive photographs and contributions from celebrated writers such as Jonathan Lethem, Chuck Palahniuk, and Em & Lo on topics ranging from monogamy, to hand jobs, to the best (and worst) sex of a lifetime.
