Romantic At-Home Dinners: Sneaky Strategies for Couples with Kids Nan Booth, Gary Fischler
Couples with children are not likely to have much time for each other--especially romantic time together--unless they plan it. This book offers just such a plan, presenting couples with seasonal menus and mood-setting ideas that emphasize their working together to prepare elegant meals and create a romantic atmosphere at home. The book also suggests various ways in which children can be involved in the preparation and then occupied in other ways to allow time just for parents. (Brighton Publications)
