“Eye opening for liberals and conservatives alike!” – Truman Daily News. A landmark book that reveals the qualifications and evidence suggesting that Donald Trump will be a great President of the United States. In 150 pages Dr. Ann Alystiam cuts through the media hype and mob rhetoric to distill Trump’s genuine promises to the American people ... and the world ... in concise and compelling terms. She examines Trump’s strong commitments to:

- Bettering the Lives of Working-class People
- Supporting People Who Aren’t Wealthy, White and Straight
- Treating Women With Respect
- Protecting our Environment and Livability of our Planet

... or not.

That’s right, between the covers of this insightful book readers will find 149 blank pages. Because, really, what has Trump honestly committed to or demonstrated by his own behavior?

The brutal honesty of 149 blank pages is followed by a surprising, must-read Epilogue on the final page that shows how, despite the great unknowns, we can come together and create a tremendous opportunity in these turbulent times.

The perfect gift to bring a little humor and healing into the New Year and the new political reality.
