A Lifetime of Golfing Jim Ritchie

Michael Elcock, writer: It is said that without curiosity we are nothing. Few of us have the sensitivity to take on board the little things that invest the world with magic, and generate a whole that is grander than the sums of its parts, but Jim's tale imparts a sense of wonder that characterises his unique way of seeing the world. This evocative memoir draws you into a life of rich observation, travel and exploration. Some of it is seen through the lens of golf, to be sure. But Jim's writing contains a world filled with the beauty that comes from seeing each day as a renewal; a chance for new discoveries. A rare treat indeed.
