Adobe Captivate 8: The Essentials Kevin Siegel

"Adobe Captivate 8: The Essentials" is a self-paced training manual that teaches the core Adobe Captivate skills needed to create interactive eLearning and mLearning content. By following step-by-step instructions, you will learn how to create a soft-skills lesson from scratch. You'll learn to record and produce software demonstrations, and interactive training simulations. By the time you finish working through this fast-paced book, you'll know how to control the mouse pointer and add such standard objects as text captions, images, and highlight boxes. You'll be able to record, import and edit audio, and further enhance the learner experience by adding interactivity via click boxes, buttons and text entry boxes. Have you already created content using Microsoft PowerPoint? Don't throw that presentation away. You'll learn how to import existing PowerPoint content into Captivate. Last, but not least, you'll learn to publish your project in SWF and HTML5 formats so that your content can be uploaded to a web server for consumption on virtually any device, including the iPad, iPhone and other mobile devices.
