Die now or die later? The dilemma four young men face when forced to do business with mob boss, Vinny Rozetti. The job: a heist worth millions. The reward: six-figures. The catch: SURVIVE!

In the violent streets of California, Braylen, Jevon, Deandre, and Chi-Town are inseparable. They do everything together and keep blunts of "Cali Green" in heavy rotation. Their unique brand of carjackin' has labeled them "The Stun Gun Crew" a name given by baffled police and local media covering the case. When the Rozetti family, from New York, take over a chop shop on the West Coast, they find themselves in a no win situation.

When Russian agents, Detectives with hidden agendas, and a bitter Rival enter the equation; the stakes rise. A dark secret will be exposed, a bond between brothers will be broken, and the mob will stop at nothing to retrieve a stolen briefcase leaving carnage along the way.
