Her Knights in Black Stetsons [Smalltown, USA] (Siren Publishing Menage Amour) Shae Shannon [Menage Amour: Erotic Consensual BDSM Cowboy Menage a Quatre Romance, M/F/M/M, spanking, flogging, sex toys, HEA] EmmaLee Anderson has grown up in a small town. Her family life was rough growing up, and the Dennisons immediately took her in as one of their own. The boys had always come to her rescue, and ran off every boy within a 500 mile radius. They were the big brothers she never had. Bad luck finally gets the best of EmmaLee. When things look hopeless and impossible, her knights in black Stetsons waltz in and fix the world by taking her back to the ranch where she belongs. What they hadn't anticipated was the sexy woman she had become that replaced the gawky, lanky girl they had grown up with. When temperatures rise and feelings bubble to the surface, Jase, Lyndon, and Dixon fight an inner battle of what is right and what they want. One night out sends a bad relationship to smack her in the face, literally. After a little "counsling" session by the Dennison clan, they assume he has learned the error of his ways. Revenge comes back in a nasty, sick plan of murder and kidnapping, threatening the one they hold dearest. The boys round up the family in a manhunt of vengeance and guns to save their country princess. Can she pull through from the brutal beating and win the love of the three that have captured her heart since pig tails and mud pies? ** A Siren Erotic Romance
