KODAK Guide to Digital Photography Rob Sheppard

Following in the footsteps of the best-selling *KODAK Guide to 35mm Photography* comes a comprehensive guide with something for every digital photographer—be it an amateur looking for new techniques or a seasoned pro who's brushing up. Written by a highly respected editor of *PCPhoto* and *Outdoor Photographer* magazines, its authoritative text helps readers choose the right camera, understand the workings of the camera's sensor, master exposure measuring techniques, and determine the best shutter speed and aperture combinations for shooting various subjects. There's an expert discussion of white balance and lighting, from daylight to artificial setups to flash photography, and entire chapters devoted to filters, close-up photography, and action shots. Finally, get practical information on digital file types, downloading, retouching, image processing, converting RAW files, and storing and retrieving images. This book has it all!

From reader reviews:

Carol Castaneda:

In this 21st one hundred year, people become competitive in each and every way. By being competitive right now, people have do something to make them survives, being in the middle of often the crowded place and notice through surrounding. One thing that often many people have underestimated that for a while is reading. Yep, by reading a guide your ability to survive boost then having chance to stay than other is high. For you who want to start reading a book, we give you this specific KODAK Guide to Digital Photography book as basic and daily reading publication. Why, because this book is usually more than just a book.

Jennifer Carter:

As people who live in typically the modest era should be update about what going on or data even knowledge to make these individuals keep up with the era that is always change and progress. Some of you maybe will certainly update themselves by reading through books. It is a good choice to suit your needs but the problems coming to you is you don't know which one you should start with. This KODAK Guide to Digital Photography is our recommendation so you keep up with the world. Why, since this book serves what you want and need in this era.

Carol Smith:

Spent a free time and energy to be fun activity to do! A lot of people spent their leisure time with their family, or their particular friends. Usually they carrying out activity like watching television, about to beach, or picnic inside park. They actually doing ditto every week. Do you feel it? Would you like to something different to fill your own free time/ holiday? Could be reading a book may be option to fill your no cost time/ holiday. The first thing you ask may be what kinds of guide that you should read. If you want to consider look for book, may be the publication untitled KODAK Guide to Digital Photography can be excellent book to read. May be it could be best activity to you.

Reuben Beaubien:

Many people spending their moment by playing outside along with friends, fun activity using family or just watching TV all day every day. You can have new activity to pay your whole day by looking at a book. Ugh, think reading a book can actually hard because you have to take the book everywhere? It fine you can have the e-book, having everywhere you want in your Touch screen phone. Like KODAK Guide to Digital Photography which is keeping the e-book version. So , try out this book? Let's observe.
