Merrick Ta'Duran is leader of the Ghosts of the Forests people who live on the world of Baade. Merrick's world changes when, traveling to an unknown alien planet looking for mates, he is captured by ruthless humans who make him the subject of experiments. After months of captivity, he fears his life will end on the strange world. Addie Banks' life has been one of silence, but now she is hearing a voice in her head of a man who isn't human but who needs her help. Merrick knows the female who helps him is his bond mate. She may deny it or fight it, but it won't matter. She is his, and he will do everything he can to convince her -- unless a killer silences him first.
