Mourning Becomes the Law: Philosophy and Representation

Gillian Rose

Mourning Becomes the Law: Philosophy and Representation Gillian Rose

Mourning Becomes the Law is the philosophical counterpart to the late Gillian Rose's acclaimed memoir *Love's Work*. It presents a powerful and eloquent case against postmodernism, and breathes new life into the debates about power and domination, transcendence and eternity. Addressing topics such as architecture, cinema, painting, poetry, the Holocaust and Judaism, Gillian Rose enables us to connect ideas about the individual and society with theories of justice. This is philosophy for the nonphilosopher.
