Tartans: Abbotsford to Fraser (Schiffer Book for Collectors) William H Johnston, Dr Philip D Smith Dr Rich in history and valor, the multicolored woven art known as tartan is centuries old but has been codified only since the late eighteenth century. Conjuring images of kilted warriors and lively bagpipes, tartan has survived hundreds of years to become the very fabric of a nation--as popular today as in years past. All Scots are color coded, it is said, and in this first of three alphabetically arranged volumes you will find over 400 examples of vividly striped tartans covering the names Abbotsford to Fraser. What are my colors? is the most frequently asked question of the International Association of Tartan Studies, and chances are you will find them in this beautifully illustrated book. Compiled from the nearly 5000 tartans in the Association's database and selected by two leading authorities, this outstanding assortment ranges from the simplest to the most complex. Includes brief historical background, definitions of related terms, and thread counts for the tartan weaver. An invaluable resource for families, clubs, historians, and designers.
